East Concessions Pad (2018)

A photograph of a modern garden landscape. In the foreground, there is a bed of flowers, including yellow foxgloves (Digitalis grandiflora) and pink geraniums (Geranium 'Biokovo'). Behind the flowers, a paved walkway leads through a series of large, cylindrical metal columns. To the right, there is a concrete wall with two blue drinking fountains. The background shows a grassy area and more garden structures.
